All, thanks again for your help on this. Our suggested language was preferred by ECAD and ORC and are incorporated in the version going to Cheryl.

Many thanks!

Thanks everyone for your suggested edits and review.

We incorporated the drafted language found in the comment bubbles. I am sending this to Cheryl shortly to begin ORA review. As this works its way to signature, I'll make sure to keep you updated and to provide a signed copy of the letters before distribution.

Hope you all have a wonderful weekend!

Thanks, Alex.

My team had been working with ORC and suggests some differences in language on the 3<sup>rd</sup> paragraph (and breaking it into another).

The track changes has been very cumbersome here, so I just included the suggested paragraphs as a comment.

Please let me know your thoughts on the revised drinking water language. We're fine with whatever version is preferred by ECAD and ORC.

Thanks,
